

222 Series

- Perfect for screen printing 100% nylon.
- Nylon catalyst not required unless the nylon fabric is water proof.
- Creamy, easy-to-print athletic ink.
- Very stretchable for difficult uniforms such as football and lacrosse.
- Durable finish for excellent abrasion resistance.

Who should use this ink?

If you screen print nylon uniforms, sports bags, jackets, or nylon drawstring bags, 222 Series is the perfect ink for you.

Who should not use this ink?

222 Series does not have the bleed resistance required for screen printing 100% polyester or poly/cotton blends.
