

800-942-4447

Bravo Flex Series

- Industry best 100% polyester bleed resistance.
- Excellent stretch/flexibility for printing lycra and spandex blends.
- Will adhere to untreated 100% nylon.
- Soft finish for printing on 100% cotton and poly/cotton blends.
- Non-phthalate formulation exceeding CPSIA requirements.

Who should use this ink?

If you love the Bravo White or Smart Series but require more stretch/flexibility, this ink will be a perfect fit.

Who should not use this ink?

Bravo Flex Series is great for all types of printing. Whether you are printing tees, sweats, or athletics, this ink will do an exceptional job.
