

## Glitter Series

- Huge selection of glitter colors that sparkle.
- Formulated for use on 100% cotton and poly/cotton fabrics.
- Glitter inks are offered in both clear base and pigmented base.
- Custom ink series – we can combine any ratio of glitter flake.
- Use a clear underbase when a high gloss appearance is necessary.

## Who should use this ink?

Any screen printer looking for special effects that really pop should try the Glitter Series inks.

## Who should not use this ink?

If you do not have the ultra-coarse screen mesh required for glitter printing, consider Sparkle Series or 180 Metallic Series.

Saatichem PW-4  
Saatichem IR-4

Always perform a pretest print and test cure conditions on the fabric to be printed to establish the best results. Stir inks vigorously before each use. Viscosity may need adjusting for best results. If there is ever a question about a print job, call us at 1-800-942-4447. We are always happy to help!
