

800-942-4447

LB Premium White

- Opaque white ink for printing cotton and poly/cotton blends.
- Very creamy viscosity with a soft hand.
- Great white ink for both one-color prints and smooth underbasing.
- Prints through a wide range of mesh counts.
- A long time favorite of One Stroke Inks customers.

Who should use this ink?

If you need an opaque ink that can flash quickly while laying down smooth for underbasing, LB Premium White is for you.

Who should not use this ink?

LB Premium White is not meant for athletic screen printers as it is not meant for 100% nylon and 100% polyester.

Clean-up

Saatichem PW-4
Saatichem IR-4

Always perform a pretest print and test cure conditions on the fabric to be printed to establish the best results. Stir inks vigorously before each use. Viscosity may need adjusting for best results. If there is ever a question about a print job, call us at 1-800-942-4447. We are always happy to help!
