HAZE REMOVER
SCRUB PADS
DEGREASER
ADHESIVE REMOVER

An all inclusive kit for your screen maintenance needs. Includes six different screening products all in quart containers with spray nozzles. The entire Franmar chemical line is manufactured from soybean oil and is proven to be a safe and effective alternative to many screen chemicals on the market today. Make a move to a safer shop for yourself, your employees, and the environment. 100% Biodegradable.

WASHOUT BOOTH

Polypropylene construction with welded seams, locking side, and back panels. Easy to backlight.

 **FRANMAR**
Chemical

FILTER SYSTEM

Dual tanks that trap inks and solids before they reach the drain. Polypropylene construction.

DIP TANKS

Removes inks and emulsions in one easy step. Cleans 300-600 screens and solution lasts 4-6 months. Available in two sizes.
