

## OSI UNIVERSAL INK REMOVER

### TECHNICAL DATA SHEET

#### SHORT DESCRIPTION:

OSI Universal Ink Remover is an off-press ink remover for use in the washout/reclaiming sink. You may also use this ink remover in automated ink removing equipment. OSI Universal Ink Remover is ready-to-use, drain-safe, and biodegradable. It is an effective ink remover without being flammable or caustic.

#### BEST FEATURES:

- Universal, use with any ink system.
- Drain-safe and biodegradable.
- Formulated for use with high volume, recirculating, automated screen wash machines.
- Extremely powerful when used in a spray bottle with scrub brush.
- Low evaporation rate.
