PMI TAPE

Technical Data Sheet

PMI #260 Quick Rip Tape

Description

PMI #260 Quick Rip Tape is a hand-tearable tape that's designed to block out pinholes and registration marks on screens. It can also be used to block out entire images on the garment side of the mesh. The #260 Quick Rip Tape has a blue non-adhesive edge making it easier to remove the tape in reclaim. The #260 Quick Rip Tape is designed to remove cleanly without damaging emulsion or leaving any residue.
